Updated as of 26 October 2015 by the Department of Consular Affairs,
Ministry of Foreign Affairs of Thailand

7. Participants holding United Nations Laissez-Passer (UNLP) travelling on official business to Thailand are REQUIRED to obtain appropriate visa before entering.

8. To apply for an appropriate entry visa to Thailand, participants are required to contact the respective Thai Embassy/Consulate for accurate information regarding their visa application procedures and required documents. The list of Thai Embassies/Consulates can be found at www.thaiembassy.org.

9. Participants who may wish to apply for a visa outside of their country of residence or reside in a country where there is no Thai Embassy/Consulate should check the location where it is possible for them to apply for a Thai visa. Please note that certain nationalities, for security reasons, are not allowed to apply for a visa elsewhere except at the Thai Embassy/Consulate which holds jurisdiction over the territory. For more information, please consult with your meeting organizer.

10. Participants who may need further assistance from ESCAP on their visa application should contact their meeting organizer in order to coordinate with the Visa and Shipment Unit, Division of Administration, ESCAP, for necessary actions.

11. Participants who wish to apply for visa on arrival at Suvarnabhumi International Airport or at Don Mueang International Airport should follow the requirements below:

(a) The applicant must possess a passport, with a validity of at least six months, and a valid return ticket with date of departure within 15 days of the date of entry;

(b) The applicant must fill out an application form, which is available at the Visa-on-Arrival counter at the airport, supply one recent passport-sized photograph and pay a fee of 1,000 baht.

NOTE: The information provided above is accurate as of December 2015. All participants are advised to consult with the Thai Embassy/Consulate in their respective countries regarding the latest applicable immigration requirements prior to their departure for Thailand.

12. Furthermore, in line with security procedure for United Nations staff, travel notification through the Travel Request Information Process (TRIP) is required prior to any official travel to a non-phase area. Upon notification of travel on TRIP, United Nations staff members will automatically receive an updated security advice for United Nations visitors to Thailand. Please visit <https://dss.un.org> to apply for this travel notification. United Nations staff are required to complete the “BASIC SECURITY IN THE FIELD” training before travelling.

IV. Weather

13. The daily average temperature for Bangkok in December is usually around 26 degrees Celsius (78 degrees Fahrenheit). Light tropical clothing would be appropriate. The conference rooms where the meetings are to be held are air-conditioned and the temperature is maintained in the range of 23-24 degrees Celsius (73-75 degrees Fahrenheit).

V. Electric plug and socket

14. The electric power in Thailand is 220V running at 50Hz and the plug types used are either type A, type B, or type C.¹ A hybrid socket is almost universally found which accepts a combination of the above plug types. Delegates are strongly encouraged to carry their own adapters for use with laptops and other electrical appliances as the secretariat will not be able to provide these. In case of need, adapters can be purchased from shops in the city dealing in electronic and electrical items.

VI. Health and vaccination

15. Upon arrival at the port of entry in Thailand, participants who are nationals of or have travelled from/through countries listed below which have been declared yellow fever infected areas must provide an International Health Certificate proving that they have received a valid yellow fever vaccination at the Health Control Office before proceeding to immigration. A valid vaccination certificate means that the vaccine was administered at least 10 days prior to travel to the affected country. The International Health Certificate must also be submitted together with the visa application form.

Given possible transmission of the disease to unborn babies, pregnant women should consider postponing travel to Thailand or talk to their doctor about the implications of traveling to Thailand during this time.

18. In addition to the above, Medical Services Division at Headquarters advises that pregnant United Nations Personnel should not undertake duty travel or be relocated to countries/areas where local transmission of the Zika virus is known to occur. Women who are seeking pregnancy should obtain individual advice from their medical practitioner on risk management regarding their plans to travel into a Zika-affected area. For further information, please read the attached Zika virus FAQ.

19. First-aid and emergency medical service is available at the Medical Centre, which is located on the ground floor of the UNCC, during weekdays. VII. Foreign currency declaration

22. Any person who brings or takes an aggregate amount of foreign currency exceeding US\$ 20,000 or its equivalent into or out of Thailand shall declare such amount of foreign currency to a Customs Official.
